ComReg published Information Notice 21/49 on 20 May 2021 setting out the maximum Eurorates that Fixed and Mobile Service providers can charge one another for wholesale termination.

The Eurorates will be effective from 1 July 2021 and will replace the maximum fixed and mobile termination rates previously set by ComReg (in Decision D11/19).

Viatel are going to implement the following Fixed Termination Rate changes in line with the rules set in the above documents:

## Fixed Termination Rate (Price Euro Per Minute ex VAT)

### Existing Rates

Peak	Off Peak	Weekend	Effective to
€0.00051	€0.00051	€0.00051	30th June 2021

### Revised Rates

Peak	Off Peak	Weekend	Effective from
€0.00070	€0.00070	€0.00070	1st July 2021

The rate applies to our wholesale partners having interconnect agreement with Viatel.

Please note that the above rate applies to Viatel 076 and 0818 numbers as well.
